

Interns, want to get started early with your training?

Fall Induction is an option!

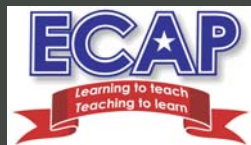

Why Should I Consider Choosing This Option?

The content in the online professional development topics will help you:

- *make a positive impression when you interview for teaching positions.
- *learn foundational skills for success in the classroom.

Who Qualifies For This Option?

The Fall Induction Program is limited to Interns who have completed the ECAP application process and have received a letter of acceptance into the program.

FALL INDUCTION PROGRAM

Improving Employment Possibilities

- Fall Induction Interns have met all criteria for acceptance into ECAP.
- Training for Fall Induction Interns is a targeted set of online professional development topics.
- “Survival Training” is the foundation topic in the induction training. It provides an overview of how to teach a lesson and lesson planning and takes about 20 hours to complete. "Survival Training" must be completed prior to entering the classroom.
- While teaching in the classroom or waiting for employment, interns complete the remaining online topics in the induction training.
- The up-front cost for this program is \$100.00. However, Interns in the Fall Induction Program receive a \$100.00 discount on summer academy.
- To apply, complete the Fall Induction application and send it to ECAP along with a check or money order for \$100.00.
