

Want to get started early with your training?
Spring Induction is an option!

Why Should I Consider Choosing This Option?

The content in the online professional development topics will help you:

- *make a positive impression when you interview for teaching positions.
- *learn foundational skills for success in the classroom.

SPRING INDUCTION PROGRAM

Improving Employment Possibilities

- Spring Induction Interns have met all criteria for acceptance into ECAP.
- Training for Spring Induction Interns is a targeted set of online professional development topics.
- “Survival Training” is the foundation topic in the induction training. It provides an overview of how to teach a lesson and lesson planning and takes about 20 hours to complete. "Survival Training" must be completed prior to entering the classroom.
- While teaching in the classroom or waiting for employment, interns complete the remaining online topics in the induction training.
- The up-front cost for this program is \$100.00. However, Interns in the Spring Induction Program receive a \$100.00 discount on summer academy.
- To apply, complete the Spring Induction application and send it to ECAP along with a check or money order for \$100.00.
