### SUMMER INTRODUCTORY TOPT WORKSHOP

#### WHO SHOULD ATTEND?

- Students/teachers going on TOPT study trips to Spanish-speaking countries.
- Students/teachers who wish to get started on TOPT preparation during the summer.
- Native speakers of Spanish who need to understand test format and requirements.

#### TOPT PREPARATION REQUIRES SPECIFIC STRATEGIES, NOT GENERAL CONVERSATION.

I will conduct an introductory session between May 28 and June 1st. The options are:

- A. SHORT SESSION - A three-hour session: a good start, but it may not give us enough time for all 15 questions in the test.
- B. LONG SESSION - A six-hour session: recommended.

#### THE GOAL OF THIS SESSION IS NOT TO LEARN SPANISH BUT TO UNDERSTAND TEST REQUIREMENTS AND HOW TO STUDY FOR IT.

The price for the session will depend on the number of participants. Keep in mind that, for this information session, it not necessary to have a small group.
